jensteninsurance.co.uk

Jensten Motor Trade is one of the UK's largest, Motor Trade specialist, insurance brokers.

JENSTEN
MOTOR TRADE

Jensten Motor Trade proudly supports over 2,500 motor traders across the UK, combining expert technical advice with a personal touch.

Our nationwide team of specialist Motor Trade Executives is always on hand to help you protect your business. Plus, our dedicated UK-based claims team is ready to assist whenever you need us.

With access to a wide panel of motor trade insurers, we take the time to understand your needs and match you with the right insurer and product – tailored to your individual requirements.

Why choose Jensten Motor Trade?

- ✓ **Tailored Cover** - One policy can protect against multiple risks, like theft, fire, and accidental damage, while safeguarding vehicles in your care.
- ✓ **Industry Expertise** - Our Motor Trade team understands your business, making it easy to explain your risks to insurers.
- ✓ **Claims Support** - Jensten's in-house team manages claims from start to finish, liaising with insurers on your behalf.
- ✓ **Minimum £500,000** cover for Own & Customer vehicles at business premises.
- ✓ **Free** wrongful conversion.
- ✓ **Free** loss of MOT licence cover.

For more information or to discuss your requirements, contact our Motor Trade Executives and get the protection your business deserves!

Insurance solutions across many sectors and industries

Cyber Security - AI-driven scams are on the rise—protect your business with our cyber insurance that covers data breaches, phishing attacks, and digital fraud.

Employee Benefits - Improve your workplace with our bespoke solutions, including a range of Private Medical Insurance options, Income Protection, and Relevant Life cover.

Management Liability Policy - This insurance will protect your directors, officers, and business against claims of wrongful acts, all tailored to your business.

Claims Assistance - Gives you access to an independent loss adjuster who represents your interests, helping to prepare, present and negotiate your claim for a fair outcome when things go wrong.

Risk Management - Our affordable software platform helps businesses manage health & safety, HR, driving risk, and business continuity to stay compliant. Plus, our risk management app gives you direct access to a panel of H&S and HR experts.
